## **NEWSLETTER**

### **SPECIAL No1 APRIL 2020**

From the Executive Committee to all members and friends

As we sadly have had to cancel our public meetings, we would like to offer you an additional newsletter until further notice. This month it is a quiz about Beverley, East Yorkshire and a few other things, we hope you might find it interesting and fun to do with your household. Feel free to send it to others too. Some questions are fiendishly hard, like the famous King William College Christmas quiz, some not so bad. Searching for answers within the household, in books or online might lead you to other interesting topics. Answers in the next special issue. Would you like more of the same, or something different? Meantime keep safe and well.

We'd love to have members send us sets of 5 questions, to our website please.
