

BEVERLEY & DISTRICT CIVIC SOCIETY

NEWSLETTER SPRING 2014

In September we are going to have a magnificent Beverley Georgian Festival, from Saturday 13th to Sunday 21st September, with events every day. This is to commemorate 1714, as the 300th anniversary of the accession of George I and the completion of our famous Market Cross. The Georgian period was a golden time for Beverley, and many of our greatest buildings were built during the 'long 18th century' (1714-1837, the period of rule by the Hanoverians before Victoria's reign).

It is fitting that the Festival begins with Open Heritage Days. On Saturday 13th September twenty buildings, some with gardens, that are usually closed to the public will open their doors free to all, from 10.00 am to 4.30 pm. The list is headed by Lairgate Hall, which has stunning interiors including 18th century Chinese wallpaper. The Old Minster Vicarage will be on view, two large private houses outside the Bar, and other properties throughout town. The Minster and St Mary's, which are of course always open, will have special children's trails based around the 18th century. Each building will have stewards and a detailed description of the property, and there will be a consolidated guide with a map of all those open. This is being organized by our Secretary, Pamela Hopkins, who would be glad to hear of members who might act as house stewards for two hours – her telephone number is 01482 861836 and her email is prhopkins@prhopkins.karoo.co.uk

The same weekend includes an archaeological survey of Swine Moor spa by the East Riding Archaeological Society who will demonstrate how much can be learned without digging trenches.

Throughout the week there will be talks, concerts, ceremonies and, on Friday 19th September, a splendid banquet in the Minster, when guests will be encouraged to come in 18th century dress, and the entertainment will be a professional dance company, who will dance between the courses of 18th century food by Tina Cerutti. Not a free event, but a glorious night to remember, unlikely to be repeated in our time.

The chefs and bakers of Beverley are combining to create a 'Beverley Cross Bun' that will be available in the shops and cafes throughout September – a special treat.

The full (but still provisional for some events) programme is printed below.

Every one, we hope, will find something in the list to attract them. The Guildhall Day will be spectacular, with two great performers in a perfect setting. The 18th century soldiers will add colour and a new dimension to formal events. We get most questions at the moment about 'Sedan Chair races' and the tethered hot air balloon, as they are extra-ordinary.

The Beverley Civic Society is taking the lead in this programme, which is only possible because so many voluntary groups have enthusiastically offered to help. The Beverley Renaissance Partnership brings town groups together, and Renaissance co-ordinator Austin Lillico is essential for the smooth running of the Festival. Beverley Town Council have awarded a grant towards costs, and applications have been made to the Heritage Lottery Fund, the Two Ridings charity and other funding bodies. It is a huge programme to run, and we hope our members will want to get involved – spread the word, ask all your friends and relations to come to the events that appeal to you. Tickets available after Easter.
